

CUARTETO CAMESELLE

Piantaos del Tango

Vier Musiker aus drei Kontinenten,
gründverschieden aufgewachsen – im Dorf in der Kleinstadt, in der Millionenmetropole.
Unterschiedliche kulturelle Backgrounds treffen dabei aufeinander: Oper, Jazz, Klassik...

Mit tiefem Respekt nähern wir uns den herausragenden Interpreten und
Komponisten des Tangos und suchen mit eigenen Arrangements und
individueller Spielweise einen neuen Weg.

Temperament und Leidenschaft, Sehnsucht und Melancholie sind die Inspiration auf dieser Reise.
So kann jeder in dieser Interpretation seinen persönlichen Tango finden.

QUARTETO GAMESELLE - Piantaos del Tango

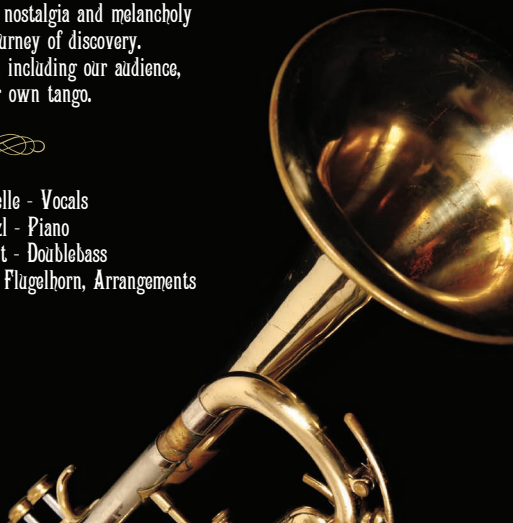

Four musicians spanning three continents,
raised in contrasting environments - a village, a small town, a metropolis;
diverse cultural backgrounds meet opera, jazz, classical music...

It is with deep respect that we approach the remarkable
performers and composers of tango music,
seeking our own path in the interpretation of their work
through original arrangements and our distinct musical style.

Temperament and passion, nostalgia and melancholy
inspire us on our journey of discovery.
And that's how everyone, including our audience,
can find their own tango.

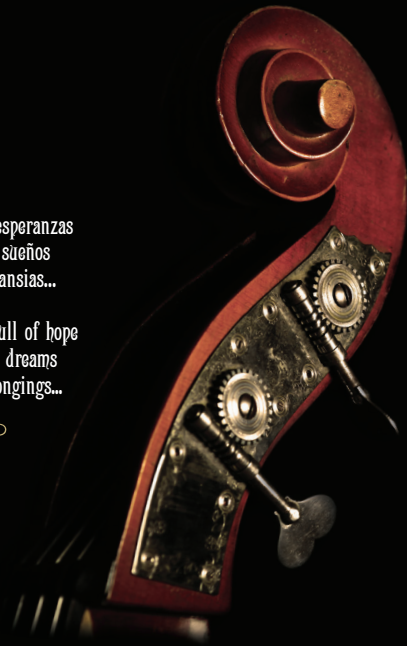

Pablo Gemeselle - Vocals
Yuri Pranzl - Piano
Christian Wendt - Doublebass
Andreas Pranzl - Trumpet, Flugelhorn, Arrangements

Uno, busca lleno de esperanzas
el camino que los sueños
prometieron a sus ansias...

Someone searches, full of hope
the path that his dreams
promised to his longings...
