[www.ats-records.com](http://www.ats-records.com)

The debut album „BLACK CROSSES IN THE SUN“ offers a diverse and captivating collection of rock songs that draw on a range of influences, from classic rock to contemporary sounds.

The album opens with an exhilarating and atmospheric arena anthem that sets the tone for the rest of the album. From there, the band showcases their impressive musicianship and versatility, with tracks ranging from soulful ballads to hard-hitting power rock pieces.

The vocals on the album are outstanding, with the lead singer's emotive delivery and exceptional range capturing the listener's attention from the first note.

The rhythm section, guitar riffs, and drumming are all tight and well executed, adding depth and texture to each song.

With a mix of traditional and modern rock sounds, „BLACK CROSSES IN THE SUN“ is a versatile album that is sure to appeal to a wide range of rock fans.

The band's love for the genre is evident in every note, and their talent shines through in each carefully crafted track.

Overall, the album is a well-rounded and cohesive collection of strong, energetic rock songs that showcase the depth and breadth of AURORA BY NOON's musical abilities.

From start to finish, „BLACK CROSSES IN THE SUN“ is an unforgettable listening experience that will leave fans eagerly anticipating what comes next from this talented group.

# ABOUT

## THE BAND / THE PROJECT

Led by Austrian bassist and producer Markus Sumereder, AURORA BY NOON is an exciting and dynamic rock music project that blends classic and contemporary rock genres to create a unique and unforgettable sound. The project features a group of exceptional international musicians who came together virtually during the pandemic.

The project's main objective was to transform Markus Sumereder's demo tracks and song ideas, created and archived over the years, into a full-length album. After much hard work, the group has created a dynamic and powerful body of work that showcases their musical prowess.

The debut album features twelve tracks that illustrate the band's ability to combine classic rock elements with modern production techniques, resulting in a sound that is both nostalgic and fresh.

One of the defining characteristics of AURORA BY NOON's music is their straight yet melodic bass lines, which provide a solid foundation for the rest of the instruments. The lyrics explore contemporary themes and challenges that arise in life or relationships, adding depth and meaning to the music.

With their innovative sound and meaningful lyrics, AURORA BY NOON has the potential to stand out in the rock music scene and quickly gain recognition for their unique approach to the genre. The combination of straight and driving bass lines, melodic vocals, heavy guitar riffs, and synth elements creates a sound that is both familiar and fresh, making AURORA BY NOON a band to keep an eye on in the world of rock music.

# ADAM HAYMAN

## AMERICAN GUITARIST ADAM HAYMAN SHREDS HIS WAY TO SUCCESS ON AURORA BY NOON'S DEBUT ALBUM

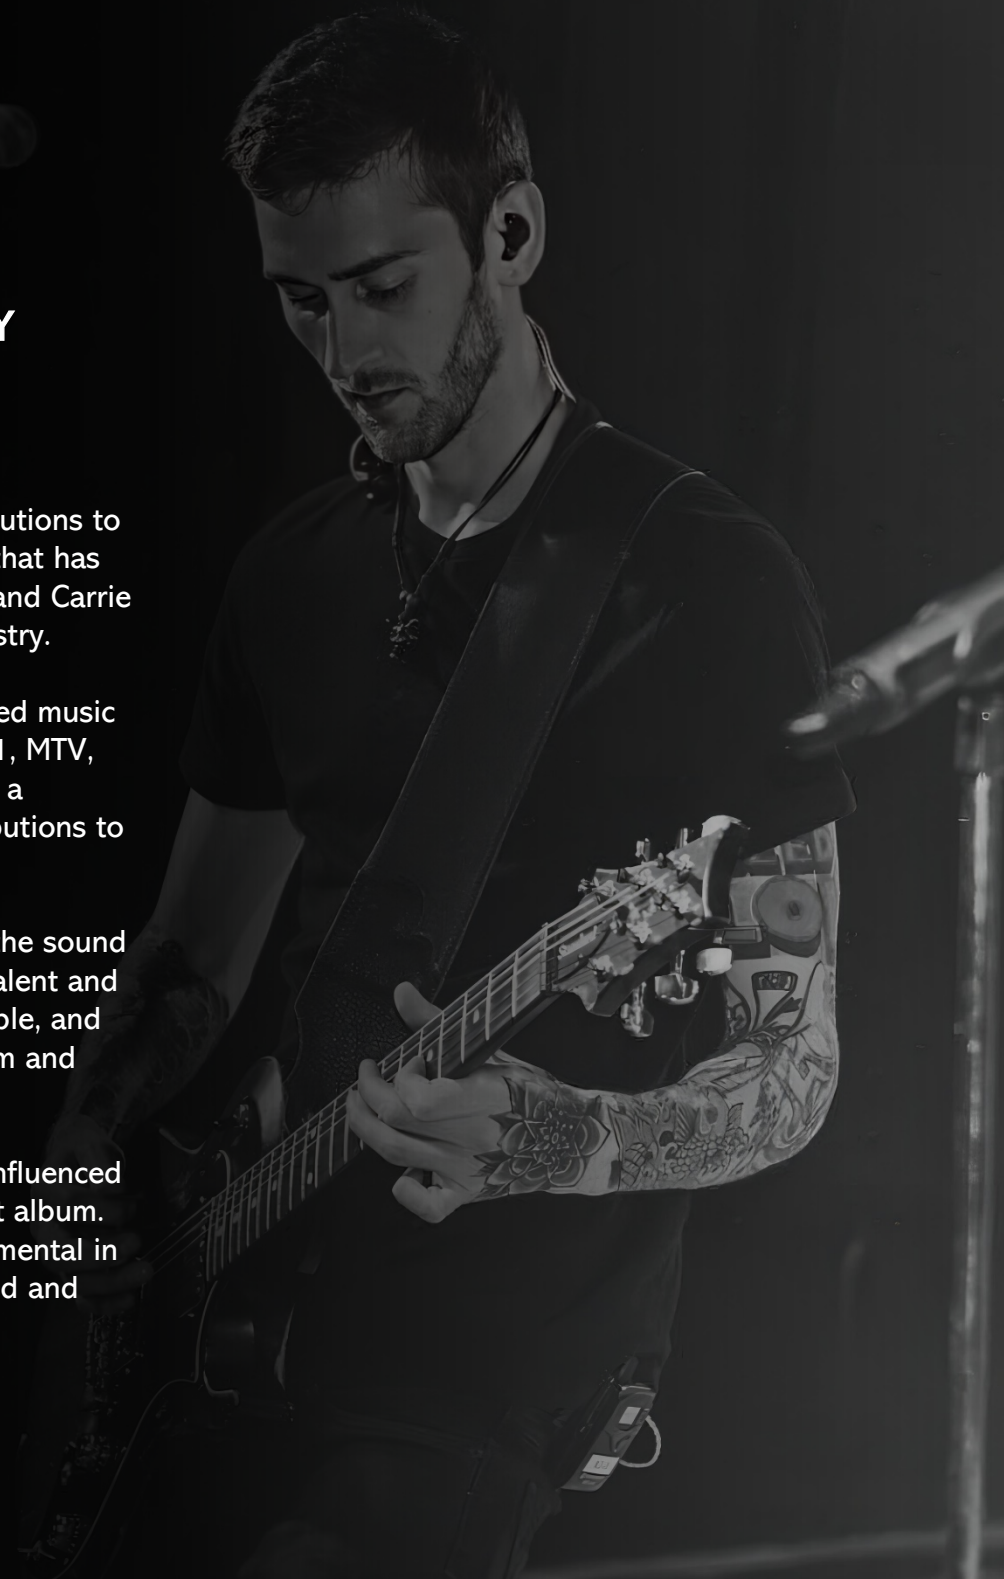

Adam Hayman, a talented American guitarist, has made significant contributions to the creation of AURORA BY NOON's dynamic debut album. With a career that has seen him share the stage with country music greats such as Brad Paisley and Carrie Underwood, Adam has become a highly sought-after musician in the industry.

In addition to his work as a touring musician, Adam is also an accomplished music producer, with over 3,000 placements for television channels such as VH1, MTV, HBO, Showtime, and Netflix. His exceptional production skills have played a significant role in the creation of the band's unique sound, and his contributions to the album have been invaluable.

Adam's exceptional guitar skills and expertise have also helped to shape the sound of the album, with memorable riffs and solos that are a testament to his talent and creativity. His contributions to the songwriting process have been invaluable, and his experience as a touring musician has brought a level of professionalism and expertise to the album that is second to none.

With his extensive experience and exceptional talent, Adam Hayman has influenced and contributed significantly to the creation of AURORA BY NOON's debut album. His dedication, creativity, and commitment to excellence have been instrumental in the success of the album, and his contributions to the band's unique sound and vision have been invaluable.

# ALEXANDRE EMIDIO

## EXPERIENCE THE DYNAMIC RHYTHMS OF AURORA BY NOON'S HIGHLY ACCLAIMED DRUMMER

AURORA BY NOON is proud to feature the exceptionally talented and rising Portuguese drummer, Alexandre Emidio, who has also been a member of the highly regarded band "Dark Oath" in the Portuguese metal scene.

Alexandre's musical roots in metal provide a technical proficiency and dynamic style that perfectly complements the band's unique sound.

In addition to his work with "Dark Oath" and AURORA BY NOON, Alexandre runs the highly esteemed "Almada Music Studio" in Lisbon, where he has recorded hundreds of tracks for musicians and bands from around the world in his role as a studio drummer.

Alexandre's impressive musical background and experience have made him a sought-after drummer in the industry, and his technical proficiency and dynamic style have earned him high praise from both fans and fellow musicians.

His exceptional talent and dedication to his craft make him an invaluable member of AURORA BY NOON, and his contributions to the band's sound and vision have been instrumental in their success.

# BJÖRN MEHLER

## MEET THE EMOTIVE VOICE BEHIND AURORA BY NOON'S DYNAMIC ROCK MUSIC: GERMAN SINGER BJÖRN MEHLER

German singer and songwriter Björn Mehler brings his exceptional talents to the dynamic rock music project, adding depth and texture to the sound of the band.

His emotive melodies and captivating vocals have earned him a dedicated following among fans and critics alike, and he has become a key asset to the songwriting process. Björn's ability to convey contemporary themes through vivid, picture-perfect lyrics draws listeners in and compels them to explore the meaning behind the music.

His passion for exploring and expressing the human experience through his music is evident in his creative process, making him an invaluable member of the band.

With previous recognition for his work in the highly acclaimed band project "GhostAffectsGhost" and their album "1000 Suns" (which earned an impressive 8.5/10 rating in Rock Hard Magazine), Björn brings a wealth of talent and experience to the table. His unique perspective and exceptional vocal range have made him a standout in the music industry.

Björn's talent, dedication, and creativity make him an invaluable member of the band, and his contributions to their sound and vision have been instrumental in their success. The addition of his exceptional talents to the band has elevated their sound and made AURORA BY NOON a force to be reckoned with in the world of rock music.

# MARKUS SUMEREDER

## AURORA BY NOON'S MASTERMIND MARKUS SUMEREDER: THE BASS PLAYER WHO SETS THE BAND'S UNIQUE SOUND AND VISION APART

Markus Sumereder, the mastermind behind the dynamic rock music project AURORA BY NOON, is a seasoned musician with a wealth of experience and influence gained from playing in various Austrian rock formations. Markus brings a unique and distinctive style to the band as its conceptual leader, organizer, manager, and album producer, in addition to providing the songwriting and basslines.

Markus' exceptional talent and decades of experience playing various rock genres are evident in the basslines he creates for the band. His style is characterized by a perfect balance of melody and rhythm, providing the foundation for the rest of the instruments to flourish. His basslines are straight yet intricate, providing an anchor for the songs and driving them forward.

Markus not only makes significant musical contributions to the band, but also plays a crucial role in organizing and managing their activities. He brings a wealth of knowledge and expertise to the table, ensuring that everything runs smoothly and efficiently. Markus is also responsible for the band's overall concept and vision.

As the album producer, Markus oversees the recording and production process, ensuring that the band's unique sound and vision are captured perfectly. His attention to detail and commitment to excellence are evident in every aspect of the band's work, from the writing and recording process to the final production of the album.

Markus Sumereder's long term goal for AURORA BY NOON has been realized with the creation of their unique sound and vision. His exceptional talent, expertise, and dedication have made an immeasurable contribution to the band's success. His experience and influence have played a pivotal role in creating the band's distinctive sound and have set them apart in the world of rock music.

# MARK BROWN

## THE KEYBOARDIST BEHIND AURORA BY NOON'S UNIQUE SOUND"

Mark Brown, a highly accomplished keyboardist based in Los Angeles, has brought a wealth of musical experience and education to his contributions on two tracks of AURORA BY NOON's debut album.

His exceptional keyboard skills and unique sound have made significant contributions to the album's sound, particularly his mastery of the Leslie and synthesizer sounds. His dedication, creativity, and commitment to excellence have been instrumental in the success of the album, and his contributions to the band's unique sound and vision have been invaluable.

Throughout his career, Mark has worked as a pianist, composer, arranger, and audio engineer. His contributions to the music industry have been significant, and his exceptional talent and expertise have made him a sought-after musician and producer.

In addition to his recording work, Mark has extensive experience as an audio engineer, having worked on over 100 projects, including the popular TV show "Forensic Files." He has also produced 6 albums and continues to compose and record music for his own band, Hambone Relay. Mark currently resides in Los Angeles and continues to bring his passion and expertise to every project he works on.

# MIX & MASTER

**REINHARD "BUX" BRUNNER – ATS RECORDS**  
**LUKAS WILTSCHKO - LW SONICS**

Reinhard "Bux" Brunner is a highly experienced audio engineer with a remarkable track record of producing and mixing for a wide range of Austrian and international bands across genres including Rock and Jazz. He has honed his skills over many years and his expertise is evident in his work.

Reinhard's exceptional abilities were put to the test on the production of „BLACK CROSSES IN THE SUN“. The album was expertly mixed from remote recordings of each musician, showcasing Reinhard's ability to bring together disparate elements and create a cohesive sound. His touch as a producer at ATS Records in Molln (Upper Austria) elevated the album to new heights, further solidifying Bux's reputation as a top audio engineer in the industry.

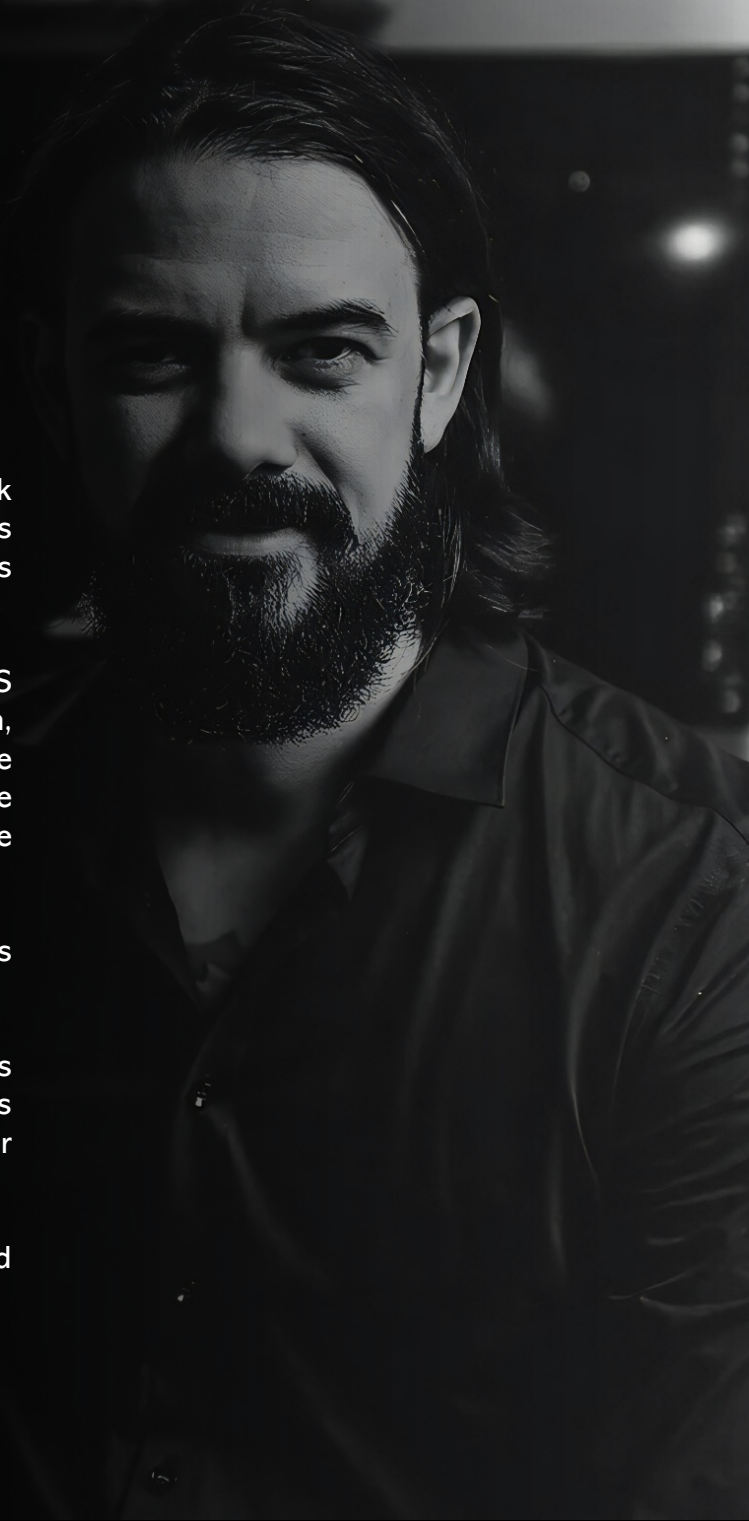

The final touch on „BLACK CROSSES IN THE SUN“ was masterfully handled by Lukas Wiltschko of LW Sonics in Vienna, a specialized studio for Rock and Heavy Music.

Lukas has been delivering outstanding productions since 2009, showcasing his unwavering commitment to music. As specialists in Rock and Heavy Music, LW Sonics creates a unique sound custom-tailored to each band, providing a strong foundation for future label and booking partnerships.

With a background in Audio Engineering from SAE Institute in Vienna, Lukas' expertise and mastery of his craft is unmatched in the industry.
