## Thanks

**FLO:** A big thank you to my brothers Fabian, Robert and Roland for all the inspiration and input on my bass playing. Also a big thank you to my band mates for the writing process and the time and laughs we had and have together. Last but not least, thanks to the master himself, Bux, for all the time and effort he has spent with us and for the music over the years.

**GERD:** Many thanks to everyone who has supported me in my life and has always been there for me when I was down... you raised me up and gave me strength to carry on!

**GERHARD:** My mother and brothers were most influential to my musical career – warmhearted kudos! And I like to thank all neighbors and various generations of my family being so open-minded and insightful to refrain from complaining about decades of booming rehearsals.

**GÜNTER:** Thanx to all of you, who inspired me and always supported my passion for music. A big hand to the guys in this amazing band for having me and walking the same path and finally a big thank you to all who made this record happen.

**KURT CHRISTIAN:** With humility I want to thank my God, my wife Gerlinde and my family, Bux Brunner, all my bandmates and every single friend and Badhoven fan who accompanied me over all these years. Thank you for supporting me in what I am loving most!
