

Zweimaurer Jumble

ZWEIMAURER (Two masons)

4 musicians, 2 bricklayers, one band. Father and daughter who lead the band and compose together. Of course it's jazz, but of course the term "jazz" cannot describe the quartet's profoundly unique style. Each of the four artists brings a completely independent and idiosyncratic musical profile and when they come together they create a musical explosion between contemporary acoustic jazz, blues, Latin and rock. The cooking is hot - and spiced up with odd meters, complex harmonies, sometimes catchy melodies, a touch of melancholy and plenty of musical wit.

Sometimes it's just madness that makes us who we are!

This explosive mixture is also the result of madness, which leads to a musical climax when the four musicians Christian Maurer, sax, Anna Maurer, piano/vocs, Wolfgang Rainer, drums and Robert Riegler, bass, come together.

The four artists find themselves in the middle between earthy grooves, refined harmonies, energetic improvisations and simply beautiful melodies, each time creating something new and supernatural from these ingredients. Everything is impossible until someone does it.

Simply Jazz, but as a general mindset

It's not a WHAT, it's a HOW!!!
