

A woman with long, light brown hair is shown in profile, looking towards the left. She has a serene expression. The background is a scenic view of a lake at sunset or sunrise, with mountains in the distance and trees on the right. The sky is a mix of orange, yellow, and blue. The word 'STILL' is written in large, white, serif capital letters, with a colorful, iridescent gradient overlaying the letters. The woman's face is partially obscured by the letters.

„SILÊNCIO“

This project holds a special place in my heart.

It marks the second chapter of a musical journey that began in 2020, with the intention of delving deeper into the world of the „Música Popular Brasileira“.

One of Brazil's most significant contemporary composers is undoubtedly

EDU LOBO

You can hardly resist the magic of his music!

Born in Rio de Janeiro on August 29th, 1943, Lobo played a pivotal role in the emergence of the

„Música Popular Brasileira“.

His style was groundbreaking and unlike any other. His compositions show a unique elegance, sophistication, authenticity... every note a work of art.

This album is my personal tribute to Edu Lobo's wonderful music and my way of thanking him for the enchanting melodies he has gifted us all!

MUITO OBRIGADA EDU LOBO!

„There is a moment when words wear out and silence begins to tell...”

(Khalil Gibran)

A woman with long, light brown hair is shown in profile, looking towards the left. She has a serene expression. The background is a scenic view of a calm lake reflecting the surrounding mountains and a forest of evergreen trees. The sky is a soft, hazy blue. Overlaid on the right side of the image is the title 'SILENCIO' in large, stylized letters. The 'S' is white, 'I' is white, 'L' is white, 'E' is white, 'N' is orange, 'C' is white, and 'I' is white. The 'O' is a large, stylized letter with a gradient of purple, pink, and orange. The text is partially obscured by the woman's hair and the background elements.
