### ALFa Duo and Friends

"...the mallets fly with virtuosity when Fabian Homar and Aleksandar Georgiev stand in front of their marimbas and inspire the audience with rhythmically concise, but also emotionally subtle music"  
(ÖÖ Nachrichten, Dr. Michael Wruss)

On this gripping concert evening, the ALFa Duo attempts to create synergies with musical friends and companions.

There are no limits to this project in terms of instrumentation and program. "ALFa Duo and friends" expands a percussion duo into a jazz and world music quintet, in which the unmistakable ALFa Duo sound is lifted into new spheres with the active support of keyboard/jazz piano, electric bass and drums.

The audience can enjoy arrangements by Avishai Cohen, Andy Akiho, Michael Jackson, Luis Fonsi and many more.
