Mrs. McDermott

a lovely tune from Irelands most famous musician of the 18th century-tempting to improvise.

Nicaragua, Nicaraguita

this song became a kind of national anthem during sandinista revolution. the result failed and hope vanished.let us keep the music alive.

I Stihi Afti/Otan Mian Anoixi

the great composer and fighter for freedom set to music so many beautiful Greek poems!the original recording presents the voice of Margarita Zorbala, here you get the sound of Wolfgang.

Fragments2

is a new version of a former composition of mine

And Another One

blues forever

Female Diavolo?

a funny piece(although in minor!)originally composed as a part of music for theater.

Silhouette Island

a tropical island caused „feel good“music

Per Fabrizio

is a dedication to Fabrizio De Andre the wonderful Cantautore...grazie

Hobo's Lullaby

this song describes the hard life of the railway-tramps in the US in the early 20th century-moving verses and melody.
