

Purple Bluze

Hey Y' All

The band combines the intense, soulful style of blues with the powerful energy of rock and funk, creating a rousing sound that appeals to both traditionalists and modern music lovers alike.

Characteristic of the ensemble is the riff-dominated guitar style, complemented by striking, energetic solos, which gives the power trio—enhanced by expressive percussion—its unmistakable sound.

The classic line-up of electric guitar, bass, and drums is enriched by driving percussion elements that add depth, rhythmic variety, and a new dynamic dimension to the overall sound.

Lineup:

- **Harald Federer** - Gitarre, Gesang, Komposition & Arrangement
