## The Rhythm of the World

The ideal combination of groove, originality, spirit, and virtuosity, where humor is also not overlooked.

Four individualists who logically fit together as a unit, at the highest musical level.

Four of the most sought-after saxophonists between Scheibbs and Nebraska.

For 35 years, Saxofour has celebrated each of the now roughly 800 concerts with care and complete joy. Fifteen recordings have been released, with diverse program themes: "Our Favourite Film Songs," the Mozart program "The Magic Flute," "Music for all Occasions," "Cinco" with Mario Joao, "Gimme Some of That" with Don Alias, Original with "Horns Astray" and "Vocalizind Reeds," four Christmas programs + an Advent calendar DVD, "25 Years of Joy and Fun," "Saxo4 oparettet den Jazz," and "Celebrating the Joy of Life" for the 30th.

We are surely still about 243 kg of sheet music away from the end of our possibilities, or 27 sound clouds away; in other words, each of you would probably win the lottery before we run out of ideas.
