Martin Gasselsberger Trio

mg3 - 25

For 25 years, the **Martin Gasselsberger Trio** mg3 has fulfilled its mission of creating an immediate, deeply engaging musical experience for its audience, built on a unique form of creative interaction. Five album releases and countless enthusiastically received concerts bear witness to this achievement.
With their anniversary album “25”, the trio reaches yet another level of musical interplay. The collaboration between Martin Gasselsberger (piano), Roland Kramer (double bass) and Gerald Endstrasser (drums) has attained an extraordinary degree of maturity and effortless ease. The three musicians perform with an almost instinctive sense of understanding and assurance, giving rise to remarkably spontaneous interplay and exceptional sonic beauty.
Their stylistically diverse blend of jazz, soul, pop and classical music is both the concept and the result of the mg3 philosophy: refined instrumental music distinguished by great poise and timeless elegance. The music continually breathes new life into a sense of joy and togetherness, while offering a delicacy that can be both heard and felt.
