A multimedia project which includes music/recordings, film/video and a photo series as a tribute to SIMON MASHOKO, a master of mbira music, whose musical working was influencing a whole generation of musicians in Zimbabwe. The installation reflects the first meeting of the Austrian artists KLAUS HOLLINETZ (composer), MICHAEL PILZ (cinematic artist) and WERNER PUNTIGAM (musician/composer/photographer) with the legend beside their participation in the cultural exchange project "Reflections on Tonga Music" in 1997 and their second meeting in January 2002.
