Winter Wonder Songs

Karin Bachner Group
Winter Wonder Songs

As the days get shorter and the cold bitter winter sets in, 'Winter Wonder Songs' comes as a pleasant melody that warms us right through!

Karin Bachner has taken songs from Cole Porter, Madonna, Joni Mitchell and Gustav Holst and created her own unique and outstandingly beautiful versions.

Together with her band and the wonderful Richard Oesterreicher on the harmonica she puts on a wonderful performance letting traditional favourites like, 'Winter Wonderland' and 'In the Still of the Night' ring in our ears in distinct new jazz-pop sound.

'Winter Wonder Songs' is not just a selection that spices up Advent, but also invites us to slow down and relax amid the busy Christmas season.
