Harald Peterstorfer - Inspirations

„Harald Peterstorfer's last album Inspiration is a wonderful travel in peaceful landscapes. Inner drawings and etherial lights. Acoustic guitar and heart full music. Let's have a dream..." - guitariste Philippe Fouquet FRANCE

"Harald is a musical poet, painting pictures with sound through his sensitive performances and imaginative compositions. His music is both strong and fragile at once, filled with vibrant melodic phrases, harmonic rhythms, as well as moments of profound quietness." John Doan USA

"Your music is WONDERful! Ethereal, celestial, and so richly layered and inviting." Amy White USA

„Inspirations“ ist the first solo CD of Harald Peterstorfer, after making a lot of CD's like with OutOfBlue/Wolfgang Puschnig - Universal Music (renown as "One of the most original European bands on the jazz scene" - Jazz Festival of Cheltenham, England) and with RIJA, the singer from Finland and the CD „Sarastus“ wich is released by the German Label Silenzio.de - in there world-wide-selling list the CD is on place 34 in the moment.

„The CD came to me in a period of maybe 7 years. Most of the tunes are realtimecompositions/improvisations, most done without any overdubs/cutting, inspired by deeply touching moments. Some of them consist of more tracks/loops & there are also normal written compositions“ H.P composed all music and recorded, mixed & mastered the whole CD

You can hear nylonstring, classical, electrical & 12string guitar - and for very special H.P's guitar-harp - the only one worldwide - created by H.P. & Gustav Walden (Track 14 „whiter than snow“)
