

Hermann Linecker & Peter Traunmüller

Isn't it ... lovely?

Hermann Linecker & Peter Traunmüller

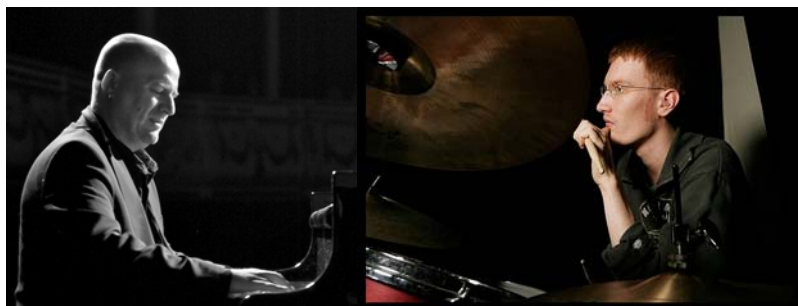

With Hermann Linecker on the keys and Peter Traunmüller on drums, two musical soul mates have found each other. Apart from uncompromising grooves, dreamland intuitive interaction and energy-charged improvisation the most important thing is: having fun with the music.

Whether Latin, Funk, Swing or Bebop – everything is with Linecker & Traunmüller allowed, as long as it grooves and doesn't fall apart. Rhythmically they both lean out of the window at every opportunity, creating magnificent structures without losing their strong, unified pulse.

One can have high expectations for the original and stylistically widely varied songs as well as tastefully arranged Jazz-Standards and diverse other intelligent musical humor. (PT)
