

DOREMI

I'll Be Home

Times of ordinary cover songs are over.

DOREMI stands for six enthusiastic female singers, who set out to create new acoustical perspectives by applying only their voices. The artists are inspired by all kinds of musical genres. Their one-of-a-kind interpretations give rise to unexpected acoustic impressions. Over and over, they enthral their audience with musical arrangements which accentuate their vocal repertoire and display a passion for detail.

The group's live performances exhibit an astounding clarity of intonation, as well as an extraordinarily creative way of handling customary harmonies. The audience can expect to hear a pureness of singing, the richness of which derives from an animated interplay of consonance and dissonance. The experience is nothing short of causing goose bumps.

I'LL BE HOME is DOREMI's first album, where well-known Christmas songs are reinterpreted in an unusual, creative manner. The atmosphere of freezing cold winter nights turns into the cozy scent of a warm living room. Six characteristic female voices merge to create a single, vocal instrument. Highly ambitious arrangements of carefully interpreted traditional songs make I'LL BE HOME a harmonious, consistent debut album.
