Save My Soul

You can't stop listening! Propelled by the soft voice, the message and the wonderful musical talents of all the musicians.

"Save My Soul" is a powerful combination of music and lyrics creating a refreshing spiritual jazz experience. Ellen D.'s deep messages within her musical heart brought to exquisite heights by composer and arranger Manuel Brandtner.

Such a diverse stylistic fusion of classical flavours and jazz grooves which is surprising as each new song began, all the way to the last plea to Mother Earth.

This is a sweet collaboration of heart and soul. The kind of connection that lifts and pulls at your emotional strings bringing tears of joy and longing.

Thank you Manuel Brandtner for being the talent you are in composition and arranging.

Thank you to all the musicians involved their sensitive incredible expertise!

Thank you Ellen D. for being brave and vulnerable to speak to our hearts and inspire us!
