

# Erich Lindenthaler

## Finger Licking Fine

At least, the fourth album by Salzburg singer/guitarist and song-writer Erich Lindenthaler.

A rich bundle of Rock'n'Roll, Country, Blues and Rock surrounds the listener. Classic and tuneful, a tribute to various genres, Erich Lindenthaler comes straight to the point.

Traditional American music performed by top musicians with his striking, distinctive voice. Lindenthaler also demonstrates his skills on the guitar with a unique style and sound.

Guitarist Tom Reif together with bass player Peter Gruber and drummer Willy Hackl are there too; also acclaimed pianist Martin Gasselsberger, blues-harp genius Sepp Schwarz, Oliver Loy and Frank Schwinn - guitar as well as Diana Jirkuff and Petra Linecker - backing vocals.

The songs are very catchy and instantly stay in the listener's memory. Authentic, despite the fact that Lindenthaler honours several genres simultaneously, this eclectic mix makes the songs an ideal foundation providing him with plenty of room.

The voice is full and enthusiastic, without losing sincerity.

A treat for friends with open ears!
