

# Indian Air

## Rare Moments

Since his first awareness of Indian music and the sitar more than 20 years ago, the Austrian musician Klaus Falschlunger has become a master of the instrument and an active representative of the Indian-Musicscene in Europe. The whole emotional spectrum of the musician's inner world comes alive in "INDIAN AIR".

He is accompanied by Clemens Rofner on doublebass, and by the percussionist Tobias Steinberger on framedrums/ric/kanjira. Growing up with jazz and rock music, he discovered in his extensive travels to Asia, the Middle East and Europe, more and more the diversity of music. Next to his love for Indian classical music, he composed and experimented with different formations. His creativity and versatility brought him together with many musicians and artists from India, Korea, USA and Europe.
