## Lift You Up Higher

LILIME's music is inspired by various musical styles such as jazz, pop, singer-songwriter, and groove music. Lead singer Stefanie Egger, born in Graz, creates joyful and hopeful compositions that are enhanced by the musical talent of her bandmates, creating a fun and compelling mixture of styles and sounds. Whether instrumental solos, rhythmic patterns, wonderfully blended harmonies, or simple melodies, the musical program is refreshing and rich in variety.

LILIME was founded in 2016 as part of Stefanie Egger's final concert from the conservatory MUK Vienna, which was performed at the famous jazz club "Porgy & Bess". The band members, united in their desire to acoustically eternalize Stefanie's compositions, began the exciting journey of their first CD production as a band.

In March 2017, the young musicians recorded their debut album in the recording studio "Wave Garden", bringing their collective musical ideas to life.
