

Erich Lindenthaler

Morzgerstraß 36

The fourth work of the Salzburg singer and guitarist Erich Lindenthaler.

A concentrated load of Rock'n'Roll, Country, Blues and Rock comes to the listener. Timeless, melodious, serving all these styles, Erich Lindenthaler gets to the point exactly. Typical American music, performed by first-class musicians and the distinctive, unmistakable voice of Erich Lindenthaler.

Lindenthaler also demonstrates his skills on the guitar with his very own style and sound.

This time also with two songs in Italian and five in Austrian dialect.

In addition to guitarist Tom Reif, bassist Peter Gruber and drummer Willy Hackl, the well-known pianist Martin Gasselsberger, Oliver Loy, guitars, Sabine Stieger and back vocals will also be there.

The songs are very catchy and remain immediately in the memory of the listener. Authentic, despite the fact that Lindenthaler uses several genres and languages at the same time. This skilful mixture lends the singing the ideal foundation and gives it a lot of space.

The voice becomes full and enthusiastic without losing honesty.

A delicacy for music lovers with "open" ears.
