

# Frank Fusion Trio feat. Michael Erian Fantasy World

Music is a World of Fantasy!

Jazz in a modern sound-dress, actual-trio-sound meets well-versed:  
The established Carinthian young trio has created his own musical world.  
Since three years they are working together with Michael Erian on the sax,  
now being extremely happy to present the resulting debut album "Fantasy  
World".

Young guest musicians provide even more variety in the sound world of the  
band.  
Synthesizer and metal guitar, fat grooves, strings quartet and lyrical acoustic  
passages.

Fresh original compositions by Fabian Mang and Michael Erian,  
Jazz fusion at its finest!
