## All the World's a Fake

### **Badhoven** | "All the World's a Fake"

All the world's a fake? No, not all the world:  
There's a style of music that has the most loyal fans in the world!  
And there's a hard rock band from Austria releasing its best album ever.  
"Badhoven" is presenting its 6th long player named "All the World's a Fake",  
picks up one of the most current themes of our time and composes eleven  
songs - eleven very strong songs!

Catchy melodies, hammering grooves, roaring guitars and mighty keyboard  
sounds are characterizing this new album which was recorded and produced  
with Reinhard Brunner at ATS Records studios.

There are also two bonus tracks on this album recorded for the non profit CD  
"Parkinson Duets". It will be presented at the 5th world parkinson congress in  
June 4-7, 2019 in Kyoto, Japan. Badhoven contributed the songs "How Will It  
Be" and "Break All Chains". These two songs were released in 1996 on their  
first album. At those time the band was named "Black Rose" and the album  
was called "Rainbow In Your Eyes". Badhoven recorded these tracks again in  
January 2019. Now they are coming out also on the new Badhoven album  
that will be released on May 18th, 2019 on the record label "ATS Records" in  
multiple formats. See below for full details.
