## Korn & Frieda - Worldmusic of Mühlviertel

Korn & Frieda - are a musical quartet from the upper-austrian region called Mühlviertel. The instruments of acoustic guitars, upright-bass, acoustic drums and the singing in dialect offers music which they call „Mühlviertler Worldmusic“ - different Styles of Music combined with the regional spoken language. The solid basis is built on the lyrics and compositions of Günther Osterkorn and Karin Pargfrieder. Collectively they create an unique musical survey with a variety of influences. The songs of Korn & Frieda contain Blues, Latin, Reggae, some jazzy approach and the spirit of austrian folklore. Their debut album „Wöd“ is released in springtime of 2019 and it gives a good sample of the creativity of this band. When they make music together it reflects experience and their sense of life. The contents of the lyrics are floating between profound and humorous meditation about the human being - tough mostly with a positive outlook!
