

JK HABE

Life's Too Short

As an Austrian based drummer he has supported many bands during the last two decades of his musical career. But as the title of his debut album implies, "Life's Too Short", which is why this time he decided to put the spotlight on himself.

Because of his versatile background as a multi-instrumentalist and singer/songwriter he set out to create his own artist persona and write, produce, play and record the whole album himself, except for the strings which have been arranged and played by his long time colleague Klemens Bittmann.

JK HABE's groove armoury is loaded and moving, ready to shake the dancefloor, embrace life, love, music and even the transience of it all. Fearlessly driving through hips, legs and finally attacking your heart. Bone dry Funk Grooves, puristic guitar riffs, soulful voices combined with a stadium vibe will hit you hard. Even the heavy ballads will make your heart dance.

In the video for his first Single „She puts the BOOM BOOM into my heart“ which will be released at the end of october 2019, JK HABE celebrates in his own distinctive style the feeling of being in love and the famous butterflies in the stomach that we all know and love all too well.

JK HABE will be on tour with his band DAVID DRESLER on drums, RAFI D. WIENER on bass and MANFRED "SPEEDY" TEMMEL on guitar.
