

Erich Lindenthaler

A concentrated load of country, pop and rock comes to the listener. Timeless, melodic, serving all these styles, Erich Lindenthaler gets right to the point. Typical American music, performed by first-class musicians and the distinctive, unmistakable voice of Erich Lindenthaler. Lindenthaler also demonstrates his skills on the guitar with his very own style and sound.

The songs are very catchy and immediately stick in the listener's memory. Authentic, also despite the fact that Lindenthaler uses several genres at the same time. This skilful mixture lends the songs the ideal foundation and gives them a lot of musical space. The voice becomes full and enthusiastic without losing its honesty.

A treat for music lovers with "open" ears.
