

Hillibilli Trio

Hillibilli Trio

The HILLIBILLI TRIO is a strange band.

Besides the peculiar line-up with acoustic guitar, double bass and saxophone, the peculiar style mix of bluegrass, country, folk, jazz and evergreens, this band stands out due to its very own way of making music.

Without amplification, i.e. free of technical obstacles, the three musicians mix with their acoustic instruments directly among the listeners. With three-part singing, virtuoso solos, stomping rhythm and full devotion to the songs, the HILLIBILLI TRIO goes where it wants. Also in musical respect.

With humour, but without din, with much joy, but also with great seriousness, the HILLIBILLI TRIO takes the listeners on a long journey through known and less known songs of the English literature. and if it really has to be, the HILLIBILLI TRIO also plays more intensively ...
