

# Frank Fusion Trio

## My Place

After the success of their debut album "Fantasy World" in 2018 (4/5 stars in British Jazz Journal), the originally trio and Carinthian based jazz/fusion band is very happy to present their new studio album "My Place".

Again with Michael Erian on saxophone, also Daniel Nösig on trumpet and sound expert Armin Polsinger on guitar are completing this illustrious extended band to celebrate a big symbiosis of clashing styles. Of course, a string quartet is also added again to make some elaborate compositions sounding fat like Fabian Mang's "Shitstorm"-trilogy or Michael Erian's symphonic-sounding "Die wunderbare Welt der Amnesie".

The title "My Place" is also a question of where this band (musically) belongs at all. They don't have an exact answer - but that's actually a good thing!

Dance beats are mixed with jazz, rock riffs with electro and metal with hip hop. Of course also humour, a shot of melancholy and a few sweet melodies are not missing.

This is homemade Fusion without any musically borders, highly ambitious and unique sounding- Enjoy!
