TRIPLESTOCKPOT ~ DOMINO

ATS 0935 (Barcode: 9005216009350) ~ AUSTRIA ~ Jazz

Recorded: 2019 Released: 2019

This is the debut album by the Austrian Jazz piano trio **TripleStockPot** comprising of pianist **Martin Gasselsberger**, bassist **Christian Wendt** and drummer **Christian Lettner**. The album presents eleven original compositions, four by Gasselsberger, five by Wendt, one by Lettner and one co-composed by all three members of the trio. The album is very well recorded and offers a crystal clear sound quality and a good balance between the instruments.

The music is all melody based mainstream Jazz, with solid, coherent and diverse compositions, which offers a pleasant, interesting listening experience. The performances are all first-rate and both the piano and the bass offer well structured soloing while the drums keep the time with flair and precision, which is a proof of technical proficiency and improvising ability.

Although the music offers no groundbreaking innovation, this is definitely an excellent piano trio album, which should satisfy the connoisseurs of the genre with flying colors. Full of beautiful melody lines and heartfelt delivery, this is classic mainstream Jazz at its best. Recommended!
